Stop Pro-UN Illinois Resolution HR 178

URGENT: HR 178, a globalist, pro-UN resolution, has unanimously passed the House Committee on International Relations, Tourism, and Trade. This disastrous resolution now heads to the full House of Representatives for consideration. **Contact your legislators, and urge them to oppose HR 178.**

Members of the Illinois General Assembly are seeking to pass a resolution that recognizes United Nations Day and explicitly honors the globalist UN.

House Resolution 178 ([HR 178](#)) is sponsored by Representative Jackie Haas (R-Bourbonnais). If enacted, it would formally recognize United Nations Day and explicitly honor the UN. The resolution declares, in part:

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare October 24, 2025 as United Nations Day in the State of Illinois to honor the United Nations (UN) for the positive impact it has had on the global community

International Monetary Fund, Global Development Learning Network, and the Office for Project Services have many offices around the world. The UN also has many thousands of “peacekeeping” soldiers stationed worldwide.

Not only is the UN already developing a world governmental bureaucracy, but its international-socialist policies are completely antithetical to the [U.S. Constitution](#) and the [Declaration of Independence](#).

Among other policies, the UN is pushing for [extreme gun control](#), [mass migration](#), totalitarian “[climate change](#)” measures, [vaccine passports](#), [indoctrinating children](#) with leftist ideology, establishing a [centralized global police](#) force, and so much more.

Contact your state representative and senator, and urge them to oppose HR 178 and instead support legislation that protects state and national sovereignty.
