While freedom-lovers around the globe were celebrating the news that some Canadian provinces were loosening their COVID mandates, Canadian Prime Minister Justin Trudeau chose the Ontario province to make a stand against the protestors. As tyrants tend to do, Trudeau invoked broad governmental powers in a bid to stop the protests and to regain some control.

We'll spend this episode in describing what's happening, what this means, and how freedom-lovers can take their activism to the next level to overcome tyranny, in today's Analysis Behind the News, where we provide the perspective and the plan to save American freedom and independence.
