Originally aired November 9, 2020. Christian Gomez interviews William F. Jasper, senior editor of The New American, about how communist agitators use anarchy and violence to create the semblance of revolution. Jasper delves into the Marxist and communist ties of BLM and its founders. Jasper further details how communist groups, under the banner of “self-determination” and “national liberation,” have brought back radical plans for establishing a separatist sovereign Black communist nation in America’s Black Belt region.
