Darr Moon

Mr. Moon is a graduate of the University of Idaho, School of Mines with a B.S. in Geological Engineering. After graduation, he spent six years with Schlumberger International as a field engineer and station manager for North Sea, Saudi Arabian and Egyptian oil field operations. Darr is a licensed professional civil engineer and land surveyor heading up his engineering firms primary offices in Rupert and Challis, Idaho.

Darr grew up in the mining industry working mostly on small family-owned placer and lode gold mines in Central Idaho. He and his family are involved in mining, milling, and gold production on various Central Idaho properties.
