

Blindly Following Biden? | Activate America

Recent shootings have been all over the media. Many are calling for something to be done about guns. President Biden has said that no right is absolute. That thinking could be very dangerous to not only the Second Amendment, but could erode all our rights.

Read Arthur R. Thompson's book, "The Second Amendment: Under Attack From All Angles", to understand how the entire Bill of Rights is under attack.

Action Items:

1. Like and share this video with others.
2. Learn more about the 2nd Amendment by reading: "[The Second Amendment: Under Attack From All Angles](#)".
3. [Sign up for Legislative Action Alerts](#) or text JBS to 800-527-8721.
