

How Globalists Utilize the Pandemic

Pandemics, universal healthcare, and travel restrictions... a savory recipe for globalists. In the past 2 years, we've faced a variety of government initiatives. These initiatives are designed to control our lives more and more by big government and towards a one-world government they call the New World Order.

Don't just take our word for it, it's all laid out on the World Economic Forum's Great Reset page (see link below). The Great Reset goes hand-in-hand with the United Nation's calling for universal healthcare back in 2019. It's interesting how this is all being justified and widely promoted due to the pandemic.

In China: The Deep State's Trojan Horse in America, Arthur shows that the pandemic and its edicts have been planned over an eleven year period (see link to the book below). Find out more details about how we may be fooled by fear tactics on this week's Activate America.
