

Key to Defeating the Deep State | Activate America

Many people ask us what we have been able to accomplish over the years. Has the society been effective?

The John Birch Society has been slowing down the agenda of the conspiracy for decades. More and more establishment pundits are realizing that the America First movement, which propelled Trump into leadership, is directly responsible to The John Birch Society.

But we know we can do better. To make more of an impact, we need to become large enough to win the war. How can we do this? Find out on today's Activate America!

Help make a difference & take action:

- 1.) If you're not already a member, we encourage you to [join The John Birch Society](#). Ask friends & family to join as well
- 2.) [Obtain a copy of Birch'n](#) & use it in your quest to recruit more people into the fight
- 3.) Help [support your local police](#)
