

Dangerous New Con-Con Proposal | Activate America

What good would rewriting the Constitution do if our politicians can't follow the one we have already? What would be the effect of Soros's money if there were a Constitutional Convention? Is this the time to try and get delegates to a convention when the country is so divided?

It's strange, but many have been fooled into thinking a Constitutional Convention or Convention of States is a good idea. This includes some members of the Republican party. In fact, there's a proposal before Congress right now! They are named House Concurrent Resolution 101 and HR 8419. This proposal could have serious implications on your personal liberty. We urge you to watch this video to learn more. Then, take action!
