If you're experiencing either mandatory or voluntary isolation, then now is a great time to stay active. How? JBS CEO Art Thompson shares some ideas to members and supporters of The John Birch Society. JBS was founded as an organization with a concerted agenda to expose and stop the work of those that would bring tyranny to our doorsteps, both foreign and domestic.

No doubt you're experiencing local tyranny, and it's up to JBS members to once again lead the way to show that our God-given rights are not negotiable. We have an excellent opportunity to wake up America. Let's do so!
