

## Strength Through Education

President John Adams had the same desire to defeat what today we call Marxism. He witnessed the radical changes in the principles, opinion, sentiments, and affections of the people. Through education he was able to change the hearts and minds of many. Find out how The John Birch Society continues that fight today. Learn what tools are available to help change the hearts and minds of today's patriots.

Action Items:

Start by going [“Back to Basics”](#).

Learn how it all started by reading the [Declaration of Independence](#).

Watch the Constitution video series online. <https://jbs.org/constitution/video/>

Add to your knowledge by reading the [Constitution](#).
