

Why Did the Founders Include an Article V Convention If We Shouldn't Use It?

The national debt keeps climbing, corrupt politicians continue to have a job, and the Republic's general decline persists. Some believe now is the time for an Article V Convention to restore our nation. In this clip, Constitutional scholar and author of *The Constitution is the Solution* lecture series Robert Brown explains why a Con-Con is very dangerous right now, and he discusses the tools already available to restore the Republic.
