ARE YOU A **GLOBALIST** — OR — **AMERICANIST?**

In the last couple of weeks, we've seen some Democrats try to one-up each other in regards to their own radical agendas for America. To help counter-steer President Trump's agenda, they are now over-correcting and could eventually find themselves careening into the ditch.

We return to the differences between the New World Order-building globalist and the American patriot to show you that political parties cannot be trusted to protect American independence and liberty in this episode of Analysis Behind the News.

Action Item #1: Purchase our newest engagement tool that asks, "Are you a Globalist or an Americanist?"
