COMMENTS HAUNT *DEMS?*

"The President ... sought foreign assistance in elections." Those words from House Judiciary Chair Jerry Nadler on NBC's Meet the Press may come back to haunt the Democrats in 2020.

Rep. Nadler is using that accusation as the basis for impeachment proceedings based on hearsay from a phone call that President Trump had with his counterpart from the Ukraine, who has once again reiterated that there was no quid pro quo.

But with the release of today's 400-page Inspector General's report of the FBI's investigation into then Presidential candidate Trump, this may give Trump the ammo he needs to wage quite the war on corruption during a Senate trial. We'll explore this in this episode of Analysis Behind the News, where we provide the perspective that you can use to help save American liberty and independence.
